

The TUXEDO FP9K-DX-XLT 9,000 lb. Deluxe Four Post Lift is a durable commercial grade high performance, cable pull vehicle lift, designed for storing, inspecting & servicing most larger Cars, SUVs, Vans & Trucks, while also providing space-saving parking solution for most residential garages & shops. The FP9K-DX-XLT Deluxe model includes Drip Trays, Jack Tray & Poly Caster Kit, while incorporating the latest in design & safety features with reliable hydraulic operation, durable concealed mechanical cable lift system with slack-cable safety devices and cable pulley shaft design with grease fittings to assist extending the life of the lift. The FP9K-DX-XLT Deluxe Lift provides additional lift height, width, length, capacity, and drive-thru clearance for larger vehicles. Easy lift operation is provided with single point mechanical lock release and a 115V electric / hydraulic high-quality power unit, while also having the option either to anchor the posts to the floor or keep mobile, using the Poly Caster Kit. With durable powder coat finish, wide diamond plate runways, front & rear wheel stops & adjustable lock stops for easy runway leveling, the FP9K-DX-XLT lift is economically priced with all the features, all for an unmatched value!
